

WINNET ARMENIA

Network of Women Resource Centers

WINNET
ARMENIA

Establishment of three Women's Resource Centers in Syunik region

Goris in June, 2009

Kapan in July, 2009

Meghri in Oct, 2008

Promote the increase in the roles and competitiveness of women at the national, regional and local levels through collaboration and civic engagement thus supporting the development of women's resource centers.

2010

Mission

Mission

Promote the economic and political empowerment of women in Armenia and EaP countries through establishment and development of women's resource centres at four levels: community, federal, national and regional.

Vision

Our vision is building a safe, secure, prosperous and democratic society with equal opportunities for all.

What we do?

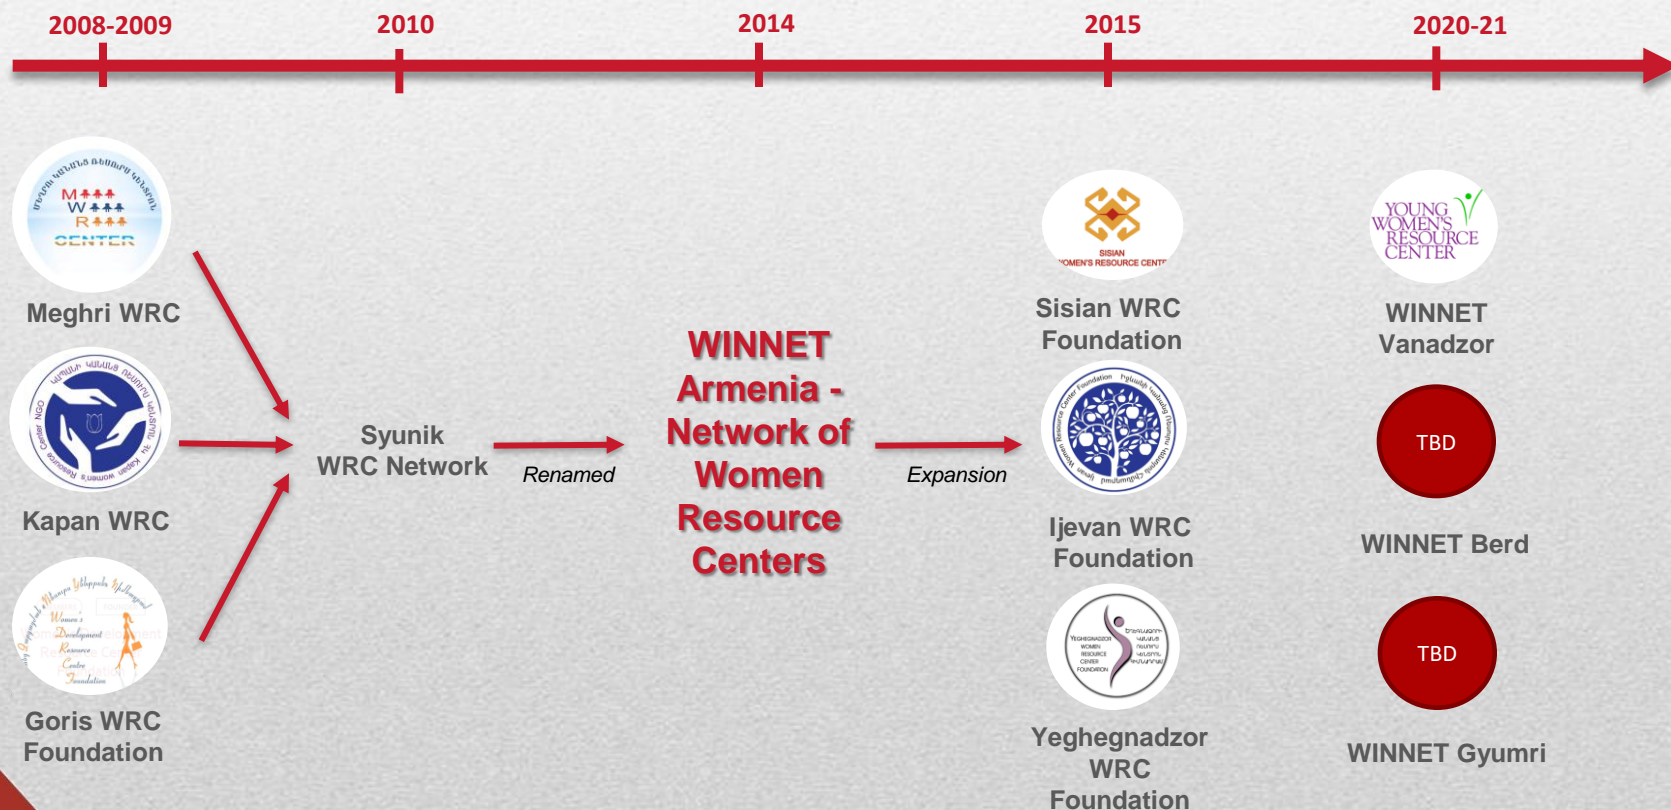

Political involvement	Economic empowerment	Social activism and support
<ul style="list-style-type: none">• Promoting democracy• Providing mentorship to women going into politics• Engaging women in decision-making processes in all levels	<ul style="list-style-type: none">• Promoting women's economic empowerment through provision of business skills and an opportunity to generate income• Supporting women entrepreneurs to start and/or run their businesses• Creating jobs by running social enterprises	<ul style="list-style-type: none">• Offering comprehensive support to women from vulnerable groups and helping them gain equal footing in the society• Improve social protection of womenRaise awareness in terms of rights• Apply and effectively implement gender policies at all levels

It enhances women's business capacities in communities and fosters their ideas by creating income opportunities

Over 150 Jobs during 8 years

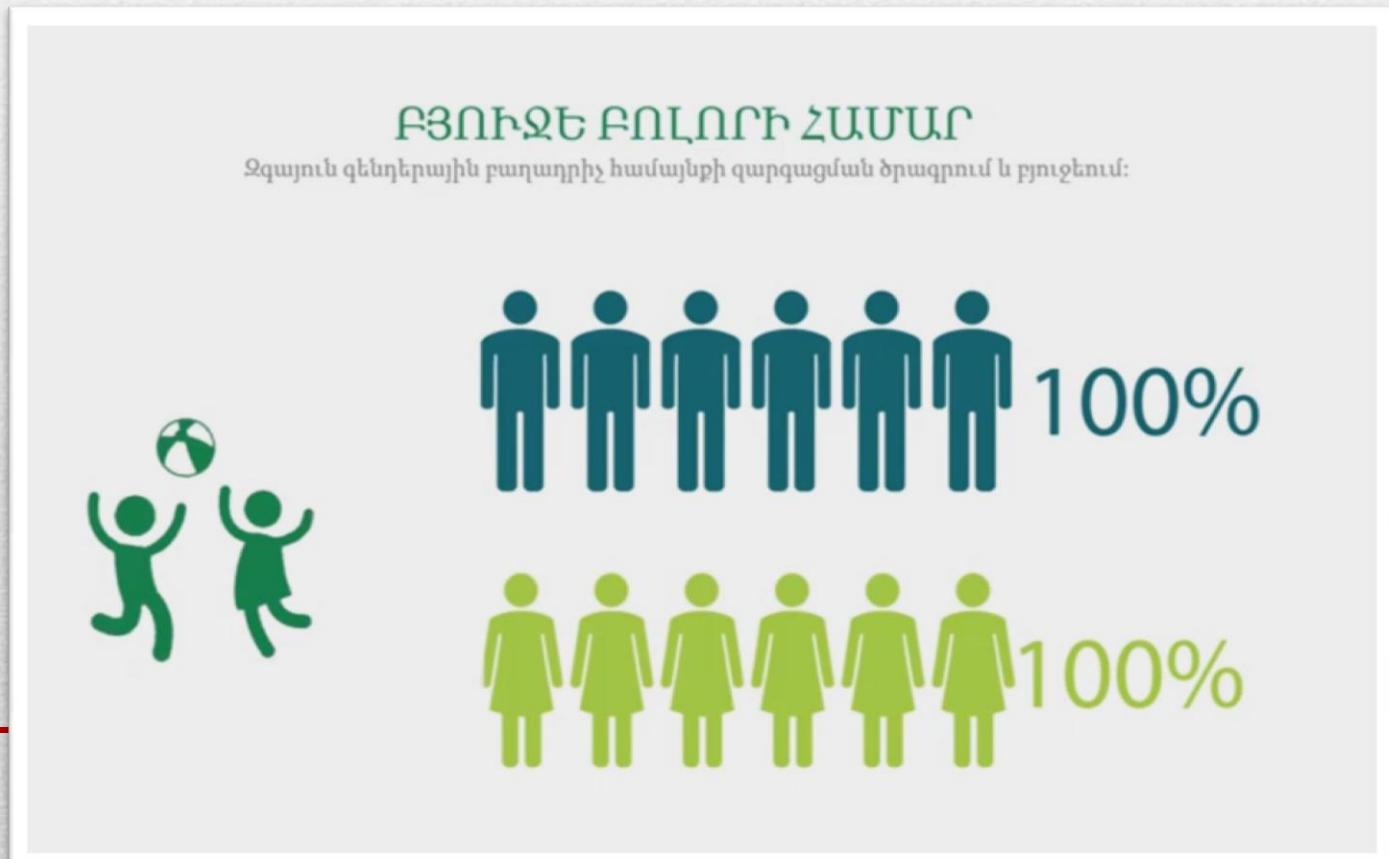

It has proven experience and capability for dissemination of the WINNET model as a community development model

It creates a platform to present, encourage and disseminate women's best practices, particularly in remote regions and communities.

It is the author of initiatives aimed at improving public policies, promoting women's participation in policy-making at all levels by ensuring equal rights and opportunities for women and men

It promotes women's interest and involvement in entrepreneurship through need assessment, sector awareness raising, consulting and mentoring, and capacity building for women and family businesses, providing sustainable jobs.

now I've got a good opportunity
to become a skillfull specialist and
set up my own successfull SE...

Nune Mirzoyan
Nran Hatik CDF

It promotes the improvement of the social protection system for women

Social Entrepreneurship as an instrument for local economic growth and financial sustainability of WRCs

The Objective: To provide unemployed women in Syunik region a chance of lasting employment and a consistent and substantial income

“I have five children. My oldest is married with kids and my youngest just started kindergarten. With my husband being sick, I am thankful that I am able to make some extra money for food on the table.”
